About your Presenters...

Ron Denney

Ron is currently the Executive Director at Four County Mental Health Center, Inc.

He obtained his bachelors degree in Psychology from Kansas State University. He earned his masters in Community Psychology from Wichita State University. He has an extensive background in mental health and program development.

Under his direction, he has seen the development and implementation of multiple community based mental health programs, such as Parent Education, Family Preservation, Case Management for adults and children, Community Integration Programs for SPMI adults, after school and summer programs for SED children, and enhanced medical and outpatient services, to name just a few. He has done numerous trainings on the topic of ethics.

Courtney Boettcher

Courtney is a Field Practicum Associate and Professor at Wichita State University.

She received her bachelors and masters degrees in Social Work from St. Louis University. She also completed a Graduate Residency Program at Mayo Clinic educating the community and healthcare providers about violence prevention and domestic violence. She has worked as a Clinical Social Worker and a hospice bereavement coordinator. Other areas of professional interest include end of life issues, social work practice in health care, practice with the elderly and taking care of self. She also teaches social work practice courses with undergraduate and graduate students. Courtney has been the recipient of The Service Excellence Award for Medical Social Work, awarded by WSU.
